Mr. Uppar.*

To mark the occasion, Mr. S.K. Mitra, Executive Vice-President, Construction Machinery SBG, L&T, handed over a plaque to the client, Mr. D.Y. Uppar, who is one of the leading contractors from Karnataka handling major irrigation and dam projects. Mr. Uppar has a large fleet of L&T supplied machines including over 100 nos. of PC200-6.

Mr. S. Gopal, Chief Executive, LTK, and Mr. K. Yanagisawa, Dy. Chief Executive, LTK, participated in the event along with several officials from L&T, LTK and Komatsu India.

L&T-Komatsu PC200-6 is the largest selling hydraulic excavator in the country in the 20-ton class. It has been deployed in various applications across the country and is very popular amongst both institutional and retail buyers.
