The Institution of Chemical Engineers (IChemE), U.K., the world's most reputed body in the chemical engineering space, has accorded an 'Honorary Fellow' of the institution to Mr. K. Venkataramanan, Member of the Board and President, L&T Hydrocarbon. In an equally rare recognition, IChemE has awarded 'Silver Corporate Partner' status to L&T Hydrocarbon. L&T is the first company in India, and the only one headquartered outside the U.K. to acquire this special status. The honours were conferred by a delegation comprising the apex leadership team of IChemE at Powai on February 11
