

L&T Construction Wins Orders Valued

Crs

Mumbai, February 28, 2014: L&T Construction has won new orders worth crores across various business segments in January & February 2014.

" It has been a productive beginning to the new year and these orders reaffirm our leadership position in our various business verticals," said Mr. S N Subrahmanyam, Member of the Board & Senior Executive Vice President (Infrastructure & Construction), L&T. " Although there is still sluggishness in our economy, these orders reflect that there is some positive movement in the infrastructure sector which augurs well for both the country and L&T going forward" , he added.

On the domestic front, the business received a major contract from National Thermal Power Corporation involving Supply, Erection, Testing and Commissioning of 765 kV & 132 kV Switchyards for power evacuation & transmission from Gadawara STPP Stage -
