

The defence arm of Larsen & Toubro has inaugurated a MultiSkill Training Centre at Visakhapatnam, under its Corporate Social Responsibility initiative. The centre with a capacity to train 200 students per batch is focused on imparting specialized skill-sets required for construction of warships & submarines.

Admiral S R Sarma, DGNP, expressed his appreciation for the initiative taken by L&T which would fulfil the vital gap in providing quality training in this strategic segment in the region.

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 17 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.
