

L&T Hazira Manufacturing Complex Dedicated to Nation by Hon. PM Narendra Modi

19 January 2018

19 January 2018

Hazira (Gujarat), Jan 19, 2018: The L&T Hazira Manufacturing Complex (ASC) in the private sector, developed by Larsen & Toubro, India's leading technology, engineering, construction, manufacturing, defence and services conglomerate, was dedicated to the nation by Honourable Prime Minister Shri Narendra Modi, today. Honourable Defence Minister Nirmala Sitharaman was also present on this occasion.

The ASC is a state-of-the-art facility to manufacture and integrate advanced armoured platforms such as Self-Propelled Artillery Howitzers, Future Infantry Combat Vehicles (FICV), Future Ready Combat Vehicles (FRCV) or Future Main Battle Tanks.

The Complex is currently executing the 155mm D calibre Tracked, Self-Propelled Howitzer Guns program - the largest contract awarded to a private company by the Ministry of Defence, Government of India under the Make in India initiative through global competitive bidding.

Spread over 40 acres, the ASC comprises state-of-the-art facility with high-end machinery and automation aids, feeder shops, and a full-fledged mobility Test Tracks for acceptance and qualification of armoured vehicles.

The L&T Hazira Complex is amongst the largest and most contemporary manufacturing facilities, among few in the world and produces extra-large offshore modules, Reactor End shields and Steam Generators for Nuclear Power plants, high end equipment for the Hydrocarbon, Thermal Power and Defence segments as also ultra-clean Special steels and Heavy Forgings.

The ASC brings manufacturing of Armoured systems to Gujarat in accordance with the thrust areas articulated in the Defence Policy. L&T Defence has a significant presence in the state and manufactures Submarine Hulls and range of platform specific equipment and Subsystems special alloys forgings for Defence applications at Hazira. It also makes critical composite subsystems for

, Q G L D . V 6 S D F H / D and Subsystems for BrahMos and Akash Missiles at the Advanced Composites Facility, Ranoli, Vadodara.

On this momentous occasion, Mr. A M Naik, Group Chairman L&T
