# L&T Leads Capital Goods Sector in Sustainability & CSR Ranking

L&T has been placed as the sector leader in the capital goods category and among the top 15 corporates in the country for its sustainability efforts in the just released Responsible Business Ranking 2018 by Futurescape and Indian Institute of Management (IIM), Udaipur.

The study analysed top Indian companies to arrive at a quantitative, unbiased ranking based on their performance in the areas of sustainability and corporate social responsibility. The ranking, based on a weighted average of four criteria, viz., Sustainability (35%), Stakeholders (30%), Governance (20%), and Disclosure (15%) also took into account the degree to which company performances were linked to the globally acknowledged UN Sustainable Development Goals (SDGs).

L&T improved its overall
