L&T's Oman Arm Bags Construction Orders Valued at Rs. 1198 crore

Muscat, January 23 Larsen & Toubro (Oman) LLC, one of the leading companies in the field of engineering a

Larsen & Toubro

Larsen & Toubro Group (L&T) is \$7 billion technology-driven engineering and construction organisation, and one of the largest companies in India's private sector. It has further interests in manufacturing, services and Information Technology. A strong, customer-focused approach and the constant quest for top-class quality have enabled the Company to attain and sustain leadership in its major lines of business across seven decades.

As a technology-driven engineering conglomerate, L&T's capabilities cover large process plants, construction, electrical distribution, electronics and information technology. L&T is in a position to offer its customers a single window for meeting a variety of industrial requirements. L&T has a successful track record in building plant and equipment used in the oil & gas sector, refineries, infrastructure and power projects, and has technology relationships with world leaders that have enabled it to execute world-class projects.

Zubair Corporation

The Zubair Corporation was set up in 1967, and is widely regarded as a founder member of Oman's growth and development. It is engaged as supplier, contractor and total solutions provider to a number of industries including energy, automotive, IT and communications technology and tourism.

In addition to the Gulf, the Zubair Corporation has a presence in Europe and the US.
